

ORDINANCE NO. 1154

An Ordinance of the City of Kendallville authorizing the issuance of sewage works revenue bonds for the purpose of providing funds to pay the cost of certain additions, extensions and improvements to the sewage works of said City, providing for the safeguarding of the interests of the owners of said bonds, other matters connected therewith, including the issuance of notes in anticipation of bonds, and repealing ordinances inconsistent herewith

WHEREAS, the City of Kendallville, Indiana ("City") has heretofore established, constructed and financed its sewage works, and now owns and operates said sewage works pursuant to IC 36-9-23; and

WHEREAS, the Common Council finds that certain improvements and extensions to said works are necessary; that plans, specifications and estimates have been prepared and filed by the engineers employed by the City for the construction of said improvements and extensions (as more fully set forth in Exhibit A hereto and made a part hereof) ("Project"), which plans and specifications have been or will be submitted to all governmental authorities having jurisdiction, particularly the Indiana Department of Environmental Management, and have been or will be approved by the aforesaid governmental authorities and are incorporated herein by reference and open for inspection at the office of the Clerk-Treasurer as required by law; and

WHEREAS, the City will advertise for and receive bids for the construction of the Project; said bids will be subject to the City's determination to construct the Project and subject to the City obtaining funds to pay for the Project; that on the basis of said engineer's estimates, the cost of the Project, as defined in IC 36-9-1-8, including estimated incidental expenses, is in the estimated amount of One Million Dollars (\$1,000,000); and

WHEREAS, the City finds that it does not have sufficient funds on hand to apply to the cost of the Project, and that such cost shall be financed by the issuance of sewage works revenue bonds in a maximum aggregate principal amount not to exceed \$1,000,000; and

WHEREAS, the City has heretofore issued certain Sewage Works Revenue Bonds of 2006, dated July 11, 2006 ("2006 Bonds"), which 2006 Bonds are now outstanding in the aggregate principal amount of \$3,310,000, mature semiannually over a period ending July 1, 2026, and which 2006 Bonds constitute a first charge upon the Net Revenues (as hereinafter defined) of the sewage works; and

WHEREAS, the ordinance authorizing the issuance of the now outstanding 2006 Bonds permits the issuance of additional bonds ranking on a parity with the 2006 Bonds provided that certain conditions can be met, and the City finds that the finances of said sewage works will enable the City to meet the conditions for the issuance of additional parity bonds and that, accordingly, the revenue bonds authorized herein shall constitute a first charge on the Net Revenues of the sewage works, on a parity with the 2006 Bonds; and

WHEREAS, the bonds to be issued pursuant to this ordinance will constitute a first charge against the Net Revenues of the sewage works, on a parity with the 2006 Bonds, and are to be issued subject to the provisions of IC 36-9-23, as in effect on the issue date of the bonds authorized herein ("Act"), and the terms and restrictions of this ordinance; and

WHEREAS, the City desires to authorize the issuance of bond anticipation notes ("BANs") hereunder, if necessary, and to authorize the refunding of the BANs, if issued; and

WHEREAS, the Common Council now finds that all conditions precedent to the adoption of an ordinance authorizing the issuance of said revenue bonds and BANs have been complied with in accordance with the provisions of the Act; now, therefore,

BE IT ORDAINED BY THE COMMON COUNCIL OF THE CITY OF KENDALLVILLE, INDIANA, THAT:

Section 1. Authorization of Project. The City shall proceed with the construction of the Project in accordance with the plans and specifications heretofore prepared and filed by the consulting engineers employed by the City, which plans and specifications are now on file in the office of the Clerk-Treasurer of the City, open for public inspection pursuant to IC 36-1-5-4 and are hereby adopted and approved, and by reference made a part of this ordinance as fully as if the same were attached hereto and incorporated herein. The cost of construction of the Project shall not exceed the sum of \$1,000,000, plus investment earnings on the BAN and bond proceeds, without further authorization from this Common Council. The terms "sewage works," "sewage works system," "works," "system," and words of like import where used in this ordinance shall be construed to mean and include the existing sewage works system, all items defined at IC 36-9-1-8 and all real estate and equipment used in connection therewith and appurtenances thereto, and all extensions, additions and improvements thereto and replacements thereof now or at any time hereafter constructed or acquired. The Project shall be constructed in accordance with the plans and specifications heretofore mentioned, which Project is hereby approved. The BANs and bonds herein authorized shall be issued pursuant to and in accordance with the Act.

Section 2. Issuance of BANs and Bonds; Book-Entry Provisions. (a) The City shall issue, if necessary, its BANs for the purpose of procuring interim financing to apply on the cost of the Project and to pay costs of issuance. The City may issue its BANs in an aggregate principal amount not to exceed One Million Dollars (\$1,000,000) to be designated "Sewage Works Bond Anticipation Notes." The BANs shall be sold at not less than 98% of their par value, shall be numbered consecutively from 1 upward, shall be in denominations of One Thousand Dollars (\$1,000) or integral multiples thereof, as set forth in the purchase agreement for the BANs, shall be dated as of the date of delivery thereof, and shall bear interest at a rate not

to exceed 5% per annum (the exact rate or rates to be determined through negotiation) payable semiannually on January 1 and July 1 commencing on the first January 1 or the first July 1 after the date of issuance of the BANs, as determined by the Clerk-Treasurer with the advice of the City's financial advisor, and upon maturity or upon redemption. The BANs will mature no later than five (5) years after their date of delivery. The BANs are subject to renewal or extension at an interest rate or rates not to exceed 5% per annum (the exact rate or rates to be negotiated). The term of the BANs and all renewal BANs may not exceed five years from the date of delivery of the initial BANs. The City may receive payment for the BANs in installments. The BANs shall be registered in the name of the purchasers thereof.

The BANs shall be issued pursuant to IC 5-1.5-8-6.1 if sold to the Indiana Bond Bank or pursuant to IC 5-1-14-5 if sold to a financial institution or any other purchaser. The City shall pledge to the payment of the principal of and interest on the BANs the proceeds from the issuance of revenue bonds pursuant to and in the manner prescribed by the Act. Principal of and interest on the BANs shall also be payable from Net Revenues of the sewage works, junior and subordinate to the payment of the 2006 Bonds, the bonds issued under this ordinance and any sewage works revenue bonds issued subsequent to the date of delivery of the BANs. If any interest on the BANs to be paid from Net Revenues is to occur on a date other than January 1 or July 1 by reason of maturity or redemption, such payment may only occur if all of the principal and interest on all outstanding bonds of the sewage works of the City due on the next succeeding principal and interest payment date is fully accumulated in the Bond and Interest Account of the Sewage Works Sinking Fund. The revenue bonds will be payable solely out of and constitute a first charge against the Net Revenues (herein defined as gross revenues after deduction only for

the payment of the reasonable expenses of operation, repair and maintenance) of the sewage works of the City, on a parity with the 2006 Bonds.

(b) The City shall issue its bonds designated "Sewage Works Revenue Bonds of _____," to be completed with the year of issuance ("Bonds"), in an aggregate principal amount not to exceed One Million Dollars (\$1,000,000), for the purpose of procuring funds to apply on the costs of the Project, refunding the BANs, if issued, and issuance costs. The Bonds shall be sold at a price not less than 98% of their par value and shall be issued in the denomination of Five Thousand Dollars (\$5,000) each or integral multiples thereof, numbered consecutively from 1 upward, originally dated as of the first day of the month in which they are issued or sold or their date of delivery, as determined by the Clerk-Treasurer with the advice of the City's financial advisor, and shall bear interest at a rate or rates not exceeding 5% per annum (the exact rate or rates to be determined by bidding). Interest on the Bonds is payable semiannually on January 1 and July 1 in each year, commencing on the first January 1 or the first July 1 following the date of delivery of the Bonds as designated by the Clerk-Treasurer, with the advice of the City's financial advisor.

Principal shall be payable in lawful money of the United States of America, at the principal office of the Paying Agent (as hereinafter defined) and the Bonds shall mature semiannually on January 1 and July 1, or be subject to mandatory sinking fund redemption on January 1 and July 1, over a period ending no later than twenty (20) years after their date of issuance, and in such amounts that will produce as level annual debt service as practicable taking into account the annual debt service on the 2006 Bonds and the Bonds issued hereunder.

All or a portion of the Bonds may be issued as one or more term bonds, upon election of the purchaser thereof. Such term bonds shall have a stated maturity or maturities consistent with

the maturity schedule determined in accordance with the preceding paragraph, on the dates as determined by the purchaser thereof, but in no event later than the last serial maturity date of the Bonds as determined in the preceding paragraph. The term bonds shall be subject to mandatory sinking fund redemption and final payment(s) at maturity at 100% of the principal amount thereof, plus accrued interest to the redemption date, on principal payment dates which are hereinafter determined in accordance with the preceding paragraph.

Interest on the Bonds and BANs shall be calculated according to a 360-day calendar year containing twelve 30-day months.

(c) The Mayor and the Clerk-Treasurer are authorized to select and appoint a qualified financial institution to serve as Registrar and Paying Agent for the Bonds, which Registrar is hereby charged with the responsibility of authenticating the Bonds ("Registrar" or "Paying Agent"). The Clerk-Treasurer is hereby authorized to enter into such agreements or understandings with such institution as will enable the institution to perform the services required of a Registrar and Paying Agent. The Clerk-Treasurer is further authorized to pay such fees as the institution may charge for the services it provides as Registrar and Paying Agent, and such fees may be paid from the Sewage Works Sinking Fund established to pay the principal of and interest on the Bonds and fiscal agency charges.

As to the BANs and as to the Bonds, if sold to a purchaser that does not object to such designation, the Clerk-Treasurer may serve as Registrar and Paying Agent and is hereby charged with the duties of a Registrar and Paying Agent.

(d) The principal and premium, if any, on the Bonds and the principal and interest on the BANs shall be payable at the principal office of the Paying Agent. All payments of interest on the Bonds and BANs shall be paid by check mailed one business day prior to the interest

payment date to the registered owners thereof, as of the fifteenth day of the month preceding each interest payment date ("Record Date"), at the addresses as they appear on the registration books kept by the Registrar or at such other address as is provided to the Paying Agent in writing by such registered owner on or before such Record Date. If payment of principal or interest is made to a depository, payment shall be made by wire transfer on the payment date in same-day funds. If the payment date occurs on a date when financial institutions are not open for business, the wire transfer shall be made on the next succeeding business day. The Paying Agent shall be instructed to wire transfer payments by 1:00 p.m. (New York City time) so such payments are received at the depository by 2:30 p.m. (New York City time).

All payments on the BANs and Bonds shall be made in any coin or currency of the United States of America, which on the date of such payment, shall be legal tender for the payment of public and private debts.

(e) Each Bond shall be transferable or exchangeable only upon the books of the City kept for that purpose at the principal office of the Registrar, by the registered owner thereof in person, or by its attorney duly authorized in writing, upon surrender of such Bond together with a written instrument of transfer or exchange satisfactory to the Registrar duly executed by the registered owner or its attorney duly authorized in writing, and thereupon a new fully registered Bond or Bonds in the same aggregate principal amount and of the same maturity shall be executed and delivered in the name of the transferee or transferees or the registered owner, as the case may be, in exchange therefor. The costs of such transfer or exchange shall be borne by the City. The City and the Registrar and Paying Agent for the Bonds may treat and consider the person in whose name such Bonds are registered as the absolute owner thereof for all purposes

including for the purpose of receiving payment of, or on account of, the principal thereof and interest due thereon.

(f) The Registrar and Paying Agent may at any time resign as Registrar and Paying Agent upon giving 30 days' notice in writing to the City and by first class mail to each registered owner of the Bonds then outstanding, and such resignation will take effect at the end of such 30 day period or upon the earlier appointment of a successor registrar and paying agent by the City. Any such notice to the City may be served personally or sent by registered mail. The Registrar and Paying Agent may be removed at any time as Registrar and Paying Agent by the City, in which event the City may appoint a successor registrar and paying agent. The City shall notify each registered owner of the Bonds then outstanding by first class mail of the removal of the Registrar and Paying Agent. Notices to the registered owners of the Bonds shall be deemed to be given when mailed by first class mail to the addresses of such registered owners as they appear on the registration books kept by the Registrar.

Upon the appointment of any successor registrar and paying agent by the City, the Clerk-Treasurer is authorized and directed to enter into such agreements and understandings with such successor registrar and paying agent as will enable the institution to perform the services required of a registrar and paying agent for the Bonds. The Clerk-Treasurer is further authorized to pay such fees as the successor registrar and paying agent may charge for the services it provides as registrar and paying agent and such fees may be paid from the Sewage Works Sinking Fund continued in Section 14 hereof. Any predecessor registrar and paying agent shall deliver all of the Bonds and any cash or investments in its possession with respect thereto, together with the registration books, to the successor registrar and paying agent.

(g) Interest on the Bonds shall be payable from the interest payment date to which interest has been paid next preceding the authentication date of the Bonds unless the Bonds are authenticated after the Record Date and on or before such interest payment date in which case they shall bear interest from such interest payment date, or unless the Bonds are authenticated on or before the Record Date preceding the first interest payment date, in which case they shall bear interest from the original date until the principal shall be fully paid.

(h) The City has determined that it may be beneficial to the City to have the Bonds held by a central depository system pursuant to an agreement between the City and The Depository Trust Company, New York, New York ("Depository Trust Company") and have transfers of the Bonds effected by book-entry on the books of the central depository system ("Book Entry System"). The Bonds may be initially issued in the form of a separate single authenticated fully registered Bond for the aggregate principal amount of each separate maturity of the Bonds. In such case, upon initial issuance, the ownership of such Bonds shall be registered in the register kept by the Registrar in the name of CEDE & CO., as nominee of the Depository Trust Company.

With respect to the Bonds registered in the register kept by the Registrar in the name of CEDE & CO., as nominee of the Depository Trust Company, the City and the Paying Agent shall have no responsibility or obligation to any other holders or owners (including any beneficial owner ("Beneficial Owner")) of the Bonds with respect to (i) the accuracy of the records of the Depository Trust Company, CEDE & CO., or any Beneficial Owner with respect to ownership questions, (ii) the delivery to any bondholder (including any Beneficial Owner) or any other person, other than the Depository Trust Company, of any notice with respect to the Bonds including any notice of redemption, or (iii) the payment to any bondholder (including any

Beneficial Owner) or any other person, other than the Depository Trust Company, of any amount with respect to the principal of, or premium, if any, or interest on the Bonds except as otherwise provided herein.

No person other than the Depository Trust Company shall receive an authenticated Bond evidencing an obligation of the City to make payments of the principal of and premium, if any, and interest on the Bonds pursuant to this ordinance. The City and the Registrar and Paying Agent may treat as and deem the Depository Trust Company or CEDE & CO. to be the absolute bondholder of each of the Bonds for the purpose of (i) payment of the principal of and premium, if any, and interest on such Bonds; (ii) giving notices of redemption and other notices permitted to be given to bondholders with respect to such Bonds; (iii) registering transfers with respect to such Bonds; (iv) obtaining any consent or other action required or permitted to be taken of or by bondholders; (v) voting; and (vi) for all other purposes whatsoever. The Paying Agent shall pay all principal of and premium, if any, and interest on the Bonds only to or upon the order of the Depository Trust Company, and all such payments shall be valid and effective fully to satisfy and discharge the City's and the Paying Agent's obligations with respect to principal of and premium, if any, and interest on the Bonds to the extent of the sum or sums so paid. Upon delivery by the Depository Trust Company to the City of written notice to the effect that the Depository Trust Company has determined to substitute a new nominee in place of CEDE & CO., and subject to the provisions herein with respect to consents, the words "CEDE & CO." in this ordinance shall refer to such new nominee of the Depository Trust Company. Notwithstanding any other provision hereof to the contrary, so long as any Bond is registered in the name of CEDE & CO., as nominee of the Depository Trust Company, all payments with respect to the principal of and premium, if any, and interest on such Bonds and all notices with

respect to such Bonds shall be made and given, respectively, to the Depository Trust Company as provided in a representation letter from the City to the Depository Trust Company.

Upon receipt by the City of written notice from the Depository Trust Company to the effect that the Depository Trust Company is unable or unwilling to discharge its responsibilities and no substitute depository willing to undertake the functions of the Depository Trust Company hereunder can be found which is willing and able to undertake such functions upon reasonable and customary terms, then the Bonds shall no longer be restricted to being registered in the register of the City kept by the Registrar in the name of CEDE & CO., as nominee of the Depository Trust Company, but may be registered in whatever name or names the bondholders transferring or exchanging the Bonds shall designate, in accordance with the provisions of this ordinance.

If the City determines that it is in the best interest of the bondholders that they be able to obtain certificates for the fully registered Bonds, the City may notify the Depository Trust Company and the Registrar, whereupon the Depository Trust Company will notify the Beneficial Owners of the availability through the Depository Trust Company of certificates for the Bonds. In such event, the Registrar shall prepare, authenticate, transfer and exchange certificates for the Bonds as requested by the Depository Trust Company and any Beneficial Owners in appropriate amounts, and whenever the Depository Trust Company requests the City and the Registrar to do so, the Registrar and the City will cooperate with the Depository Trust Company by taking appropriate action after reasonable notice (i) to make available one or more separate certificates evidencing the fully registered Bonds of any Beneficial Owner's Depository Trust Company account or (ii) to arrange for another securities depository to maintain custody of certificates for and evidencing the Bonds.

If the Bonds shall no longer be restricted to being registered in the name of the Depository Trust Company, the Registrar shall cause the Bonds to be printed in blank in such number as the Registrar shall determine to be necessary or customary; provided, however, that the Registrar shall not be required to have such Bonds printed until it shall have received from the City indemnification for all costs and expenses associated with such printing.

In connection with any notice or other communication to be provided to bondholders by the City or the Registrar with respect to any consent or other action to be taken by bondholders, the City or the Registrar, as the case may be, shall establish a record date for such consent or other action and give the Depository Trust Company notice of such record date not less than fifteen (15) calendar days in advance of such record date to the extent possible.

So long as the Bonds are registered in the name of the Depository Trust Company or CEDE & CO. or any substitute nominee, the City and the Registrar and Paying Agent shall be entitled to request and to rely upon a certificate or other written representation from the Beneficial Owners of the Bonds or from the Depository Trust Company on behalf of such Beneficial Owners stating the amount of their respective beneficial ownership interests in the Bonds and setting forth the consent, advice, direction, demand or vote of the Beneficial Owners as of a record date selected by the Registrar and the Depository Trust Company, to the same extent as if such consent, advice, direction, demand or vote were made by the bondholders for purposes of this ordinance and the City and the Registrar and Paying Agent shall for such purposes treat the Beneficial Owners as the bondholders. Along with any such certificate or representation, the Registrar may request the Depository Trust Company to deliver, or cause to be delivered, to the Registrar a list of all Beneficial Owners of the Bonds, together with the

dollar amount of each Beneficial Owner's interest in the Bonds and the current addresses of such Beneficial Owners.

The City is authorized to issue its BANs in book-entry form and, in that case, all of the provisions set forth in this subsection (h) shall apply.

Section 3. Redemption of BANs and Bonds. (a) Effective sixty (60) days from their date of issuance, the BANs are prepayable by the City, in whole or in part, on any date, upon twenty (20) days' notice to the owner of the BANs, with no premium.

(b) The Bonds are redeemable at the option of the City, but no sooner than eight (8) years after their date of delivery, or any date thereafter, on thirty (30) days' notice, in whole or in part, in the order of maturity as determined by the City, with the advice of its financial advisor, and by lot within a maturity, at face value together with a premium no greater than 2%, plus accrued interest to the date fixed for redemption. The exact redemption dates and premiums shall be established by the Clerk-Treasurer, with the advice of the City's financial advisor, prior to the sale of the Bonds.

(c) If any Bond is issued as a term bond, the Paying Agent shall credit against the mandatory sinking fund requirement for the Bonds maturing as term bonds, and corresponding mandatory redemption obligation, in the order determined by the City, any Bonds maturing as term bonds which have previously been redeemed (otherwise than as a result of a previous mandatory redemption requirement) or delivered to the Registrar for cancellation or purchased for cancellation by the Paying Agent and not theretofore applied as a credit against any redemption obligation. Each Bond maturing as a term bond so delivered or cancelled shall be credited by the Paying Agent at 100% of the principal amount thereof against the mandatory sinking fund obligation on such mandatory sinking fund date, and any excess of such amount

shall be credited on future redemption obligations, and the principal amount of the Bonds to be redeemed by operation of the mandatory sinking fund requirement shall be accordingly reduced; provided, however, the Paying Agent shall credit only such Bonds maturing as term bonds to the extent received on or before forty-five (45) days preceding the applicable mandatory redemption date.

Each authorized denomination amount of Bonds shall be considered a separate bond for purposes of optional and mandatory redemption. If less than an entire maturity is called for redemption at one time, the Bonds to be redeemed shall be selected by lot within a maturity by the Registrar. If some Bonds are to be redeemed by optional redemption and mandatory sinking fund redemption on the same date, the Registrar shall select by lot the Bonds for optional redemption before selecting the Bonds by lot for the mandatory sinking fund redemption.

(d) Notice of redemption shall be given not less than thirty (30) days prior to the date fixed for redemption unless such redemption notice is waived by the owner of the Bond or Bonds redeemed. Such notice shall be mailed to the address of the registered owner as shown on the registration record of the City as of the date which is forty-five (45) days prior to such redemption date. The notice shall specify the date and place of redemption and sufficient identification of the Bonds called for redemption. The place of redemption may be determined by the City. Interest on the Bonds so called for redemption shall cease on the redemption date fixed in such notice if sufficient funds are available at the place of redemption to pay the redemption price on the date so named.

Section 4. Execution of Bonds and BANs. The BANs and Bonds shall be signed in the name of the City by the manual or facsimile signature of the Mayor and attested by the manual or facsimile signature of its Clerk-Treasurer, who shall affix the seal of the City to each

of the Bonds manually or shall have the seal imprinted or impressed thereon by facsimile. These officials, by the signing of a Signature and No Litigation Certificate, shall adopt as and for their own proper signatures their facsimile signatures appearing on the Bonds. The Bonds must be authenticated by an authorized officer of the Registrar.

Section 5. Form of Bonds. The form and tenor of the Bonds shall be substantially as follows, all blanks to be filled in properly and all necessary additions and deletions to be made prior to delivery thereof:

[Unless this certificate is presented by an authorized representative of The Depository Trust Company, a New York corporation ("DTC"), to the City of Kendallville, Indiana, or its agent for registration of transfer, exchange, or payment, and any certificate issued is registered in the name of Cede & Co. or in such other name as is requested by an authorized representative of DTC (and any payment is made to Cede & Co. or to such other entity as is requested by an authorized representative of DTC), ANY TRANSFER, PLEDGE, OR OTHER USE HEREOF FOR VALUE OR OTHERWISE BY OR TO ANY PERSON IS WRONGFUL inasmuch as the registered owner hereof, Cede & Co., has an interest herein.]

All payments on the Bond shall be made in any coin or currency of the United States of America, which on the dates of such payment, shall be legal tender for the payment of public and private debts.

This Bond shall not constitute an indebtedness of the City within the meaning of the provisions and limitations of the constitution of the State of Indiana, and the City shall not be obligated to pay this Bond or the interest hereon except from the special fund provided from the Net Revenues.

This Bond is [the only] one of an authorized issue of Bonds of the City [of like tenor and effect, except as to numbering, interest rate, and dates of maturity,] in the total amount of _____ Dollars (\$ _____) ("Bonds"), numbered from 1 up, issued for the purpose of providing funds to be applied on the cost of additions and improvements to the City's sewage works[, to refund interim notes issued in anticipation of the Bonds] and to pay incidental expenses as authorized by an Ordinance adopted by the Common Council of the City on the _____ day of _____, 2012, entitled "An Ordinance of the City of Kendallville authorizing the issuance of sewage works revenue bonds for the purpose of providing funds to pay the cost of certain additions, extensions and improvements to the sewage works of said City, providing for the safeguarding of the interests of the owners of said bonds, other matters connected therewith, including the issuance of notes in anticipation of bonds, and repealing ordinances inconsistent herewith" ("Ordinance"), and in strict compliance with the provisions of IC 36-9-23, as in effect on the issue date of the Bonds ("Act").

Pursuant to the provisions of the Act and the Ordinance, the principal and interest of this Bond and all other Bonds of said issue, and any bonds hereafter issued on a parity therewith, are payable solely from the Sewage Works Sinking Fund (continued by the Ordinance) to be provided from the Net Revenues (defined as the gross revenues after the deduction only for the

payment of the reasonable expenses of operation, repair and maintenance) of the sewage works of the City. This bond and the issue of which it is a part ranks on a parity with the 2006 Bonds as defined in the Ordinance.

The City irrevocably pledges the entire Net Revenues of said sewage works to the prompt payment of the principal of and interest on the Bonds authorized by the Ordinance, of which this is one, and any bonds ranking on a parity therewith, including the 2006 Bonds, to the extent necessary for that purpose, and covenants that it will cause to be fixed, maintained and collected such rates and charges for service rendered by said works as are sufficient in each year for the payment of the proper and reasonable expenses of operation, repair and maintenance of said works and for the payment of the sums required to be paid into said Sinking Fund under the provisions of the Act and the Ordinance. If the City or the proper officers of the City shall fail or refuse to so fix, maintain and collect such rates or charges, or if there be a default in the payment of the interest on or principal of this Bond, the owner of this Bond shall have all of the rights and remedies provided for in the Act, including the right to have a receiver appointed to administer the works and to charge and collect rates sufficient to provide for the payment of this Bond and the interest hereon.

[The City has designated this Bond as a "qualified tax-exempt obligation" to qualify this Bond for the \$10,000,000 exception from the provisions of Section 265(b) of the Internal Revenue Code of 1986 relating to the disallowance of 100% of interest expense allocable to qualified tax-exempt obligations acquired by financial institutions].

[The Bonds shall be initially issued in a Book Entry System (as defined in the Ordinance). The provisions of this bond and of the Ordinance are subject in all respects to the provisions of the Letter or Representations between the City and The Depository Trust Company, or any substitute agreement, effecting such Book Entry System.]

The City further covenants that it will set aside and pay into its Sewage Works Sinking Fund a sufficient amount of the Net Revenues of said works to meet (a) the interest on all bonds which by their terms are payable from the revenues of the sewage works, as such interest shall fall due, (b) the necessary fiscal agency charges for paying the bonds and interest, (c) the principal of all bonds which by their terms are payable from the revenues of the sewage works, as such principal shall fall due, and (d) an additional amount to [create and] maintain the reserve required by the Ordinance. Such required payments shall constitute a first charge upon all the Net Revenues of said works, on a parity with the 2006 Bonds.

The Bonds of this issue maturing on _____ 1, 20_____, and thereafter, are redeemable at the option of the City on _____, 20____ or any date thereafter, on thirty (30) days' notice, in whole or in part, in the order of maturity as determined by the City and by lot within a maturity, at face value together with the following premiums:

Each Five Thousand Dollar (\$5,000) principal amount shall be considered a separate bond for purposes of optional [and mandatory] redemption. If less than an entire maturity is called for redemption, the Bonds to be called shall be selected by lot by the Registrar. [If some Bonds are to be redeemed by optional redemption and mandatory sinking fund redemption on the same date, the Registrar shall select by lot the Bonds for optional redemption before selecting the Bonds by lot for the mandatory sinking fund redemption.]

Notice of redemption shall be mailed to the address of the registered owner as shown on the registration record of the City, as of the date which is forty-five (45) days prior to such redemption date, not less than thirty (30) days prior to the date fixed for redemption. The notice shall specify the date and place of redemption and sufficient identification of the Bonds called for redemption. The place of redemption may be determined by the City. Interest on the Bonds so called for redemption shall cease on the redemption date fixed in such notice, if sufficient funds are available at the place of redemption to pay the redemption price on the date so named.

If this Bond shall not be presented for payment or redemption on the date fixed therefor, the City may deposit in trust with its depository bank, an amount sufficient to pay such Bond or the redemption price, as the case may be, and thereafter the registered owner shall look only to the funds so deposited in trust with said bank for payment and the City shall have no further obligation or liability in respect thereto.

This Bond is subject to defeasance prior to redemption or payment as provided in the Ordinance referred to herein. THE OWNER OF THIS BOND, BY THE ACCEPTANCE HEREOF, HEREBY AGREES TO ALL THE TERMS AND PROVISIONS CONTAINED IN THE ORDINANCE. The Ordinance may be amended without the consent of the owners of the Bonds as provided in the Ordinance.

This Bond is transferable or exchangeable only upon the books of the City kept for that purpose at the office of the Registrar, by the registered owner hereof in person, or by its attorney duly authorized in writing, upon surrender of this Bond together with a written instrument of

transfer or exchange satisfactory to the Registrar duly executed by the registered owner or its attorney duly authorized in writing, and thereupon a new fully registered Bond or Bonds in the same aggregate principal amount and of the same maturity, shall be executed and delivered in the name of the transferee or transferees or to the registered owner, as the case may be, in exchange therefor. The City, the Registrar and any paying agent for this Bond may treat and consider the person in whose name this Bond is registered as the absolute owner hereof for all purposes including for the purpose of receiving payment of, or on account of, the principal hereof and interest due hereon.

The Bonds maturing in any one year are issuable only in fully registered form in the denomination of \$5,000 or any integral multiple thereof not exceeding the aggregate principal amount of the Bonds maturing in such year.

It is hereby certified and recited that all acts, conditions and things required to be done precedent to and in the preparation and complete execution, issuance and delivery of this Bond have been done and performed in regular and due form as provided by law.

This Bond shall not be valid or become obligatory for any purpose until the certificate of authentication hereon shall have been executed by an authorized representative of the Registrar.

IN WITNESS WHEREOF, the City of Kendallville, in Noble County, Indiana, has caused this Bond to be executed in its corporate name by the manual or facsimile signature of its Mayor, its corporate seal to be hereunto affixed, imprinted or impressed by any means and attested manually or by facsimile by its Clerk-Treasurer.

Section 6. Preparation and Sale of BANs and Bonds; Official Statement. (a) The Clerk-Treasurer is hereby authorized and directed to have the BANs and Bonds prepared, and the Mayor and the Clerk-Treasurer are hereby authorized and directed to execute the BANs and Bonds in the form and manner herein provided. The Clerk-Treasurer is hereby authorized and directed to deliver the BANs and Bonds to the respective purchasers thereof after sale made in accordance with the provisions of this ordinance, provided that at the time of said delivery the Clerk-Treasurer shall collect the full amount which the respective purchasers have agreed to pay therefor, which amount shall not be less than 98% of the par value of the BANs or not less than 98% of the par value of Bonds. The City may receive payment for the BANs in installments. The Bonds when fully paid for and delivered to the purchaser, shall be the binding special revenue obligations of the City, payable out of the Net Revenues of the City's sewage works to be set aside into the Sinking Fund as herein provided. The proceeds derived from the sale of the Bonds shall be and are hereby set aside for application on the cost of the Project hereinbefore

referred to, the refunding of the BANs, if issued, and the expenses necessarily incurred in connection with the BANs and Bonds. The proper officers of the City are hereby directed to draw all proper and necessary warrants, and to do whatever acts and things which may be necessary to carry out the provisions of this ordinance.

(b) Distribution of an Official Statement (preliminary and final) for the Bonds, prepared on behalf of the City, is hereby authorized and approved and the Mayor and Clerk-Treasurer are authorized and directed to execute the Official Statement on behalf of the City in a form consistent with this ordinance. The Mayor or Clerk-Treasurer is hereby authorized to designate the preliminary Official Statement as "nearly final" for purposes of Rule 15c2-12 ("Rule") as promulgated by the Securities and Exchange Commission.

Section 7. Bond Sale Notice. Prior to the sale of the Bonds, the Clerk-Treasurer shall cause to be published either: (i) a notice of such sale in *The News-Sun* two times, at least one week apart, the first publication made at least fifteen (15) days before the date of the sale and the second publication being made at least three (3) days before the date of the sale; or (ii) a notice of intent to sell in *The News-Sun* and the *Court & Commercial Record*, all in accordance with IC 5-1-11 and IC 5-3-1. A notice or summary notice of sale may also be published one time in the *Court & Commercial Record*, and a notice or summary notice may also be published in *The Bond Buyer* in New York, New York. The notice shall state the character and amount of the Bonds, the maximum rate of interest thereon, the terms and conditions upon which bids will be received and the sale made, and such other information as the Clerk-Treasurer and the attorneys employed by the City shall deem advisable and any summary notice may contain any information deemed so advisable. The notice may provide, among other things, that the successful bidder shall be required to submit a certified or cashier's check in an amount equal to

1% of the principal amount of the Bonds described in the notice within twenty-four hours of the sale and that in the event the successful bidder shall fail or refuse to accept delivery of the Bonds and pay for the same as soon as the Bonds are ready for delivery, or at the time fixed in the notice of sale, then said check and the proceeds thereof shall be the property of the City and shall be considered as its liquidated damages on account of such default. Bidders for the Bonds will be required to name the rate or rates of interest which the Bonds are to bear, not exceeding the maximum rate hereinbefore fixed, and that such interest rate or rates shall be in multiples of one-eighth (1/8) or one-twentieth (1/20) of one percent (1%). The rate bid on a maturity shall be equal to or greater than the rate bid on the immediately preceding maturity. No conditional bid or bid for less than 98% of the face amount of the Bonds will be considered. The opinion of Ice Miller LLP, bond counsel of Indianapolis, Indiana, approving the legality of the Bonds, will be furnished to the purchaser at the expense of the City.

The Bonds shall be awarded by the Clerk-Treasurer to the best bidder who has submitted his bid in accordance with the terms of this ordinance, IC 5-1-11 and the notice. The best bidder will be the one who offers the lowest net interest cost to the City, to be determined by computing the total interest on all of the Bonds to their maturities, deducting the premium bid, if any and adding thereto the discount bid, if any. The right to reject any and all bids shall be reserved. If an acceptable bid is not received on the date of sale, the sale may be continued from day to day thereafter without further advertisement for a period of thirty (30) days, during which time no bid which provides a higher net interest cost to the City than the best bid received at the time of the advertised sale will be considered.

Section 8. Financial Records and Accounts; Continuing Disclosure. (a) The City shall keep proper records and books of account, separate from all of its other records and

accounts, in which complete and correct entries shall be made showing all revenues received on account of the operation of said sewage works and all disbursements made therefrom and all transactions relating to said sewage works. Copies of all such statements and reports shall be kept on file in the office of the Clerk-Treasurer.

(b) If the Bonds are subject to the Rule, a Continuing Disclosure Undertaking Agreement ("Agreement") for the Bonds is hereby authorized and approved by the Common Council, and the Mayor and Clerk-Treasurer are hereby authorized and directed to complete, execute and attest the same on behalf of the City. Notwithstanding any other provisions of this ordinance, failure of the City to comply with the Agreement shall not be considered an event of default under the Bonds or this ordinance.

Section 9. Pledge of Net Revenues. The interest on and the principal of the Bonds issued pursuant to the provisions of this ordinance, and any bonds hereafter issued on a parity therewith, shall constitute a first charge on all the Net Revenues, on a parity with the 2006 Bonds, and such Net Revenues are hereby irrevocably pledged to the payment of the interest on and principal of such Bonds, to the extent necessary for that purpose.

Section 10. Use of Proceeds and Costs of Issuance. The proceeds from the sale of the Bonds, to the extent not used to refund BANs, and BAN proceeds shall be deposited in a bank or banks which are legally designated depositories for the funds of the City, in a special account or accounts to be designated as "City of Kendallville, Sewage Works Construction Account" ("Construction Account"). All funds deposited to the credit of the Sewage Works Sinking Fund or the Construction Account shall be deposited, held, secured or invested in accordance with the laws of the State of Indiana relating to the depositing, holding, securing or investing of public funds, including particularly IC 5-13, as amended and supplemented. The funds in the

Construction Account shall be expended only for the purpose of paying the cost of the Project, refunding the BANs, or as otherwise required by the Act or for the expenses of issuance of the Bonds. The cost of obtaining the services of Ice Miller LLP, Atz Law Office LLC, and H.J. Umbaugh & Associates, Certified Public Accountants, LLP shall be considered as a part of the cost of the Project on account of which the Bonds and BANs are issued. Any balance or balances remaining unexpended in such special account or accounts after completion of the Project, which are not required to meet unpaid obligations incurred in connection with such Project, shall either (1) be paid into the Sewage Works Sinking Fund and used solely for the purposes of said Sewage Works Sinking Fund or (2) be used for the same purpose or type of project for which the Bonds were originally issued, all in accordance with IC 5-1-13, as amended and supplemented.

Section 11. Accrued Interest. The accrued interest received at the time of delivery of the Bonds, if any, and premium, if any, shall be deposited in the Sewage Works Sinking Fund continued in Section 14.

Section 12. Revenue Fund. All income and revenues derived from the operation of the sewage works and from the collection of sewer rates and charges shall be deposited in the Revenue Fund ("Revenue Fund") hereby continued. Out of the Revenue Fund, the proper and reasonable expenses of operation, repair and maintenance of the works shall be paid, the principal and interest of all bonds and fiscal agency charges of registrars or paying agents shall be paid, the reserve shall be funded, and the costs of replacements, extensions, additions and improvements to the works shall be paid.

Section 13. Operation and Maintenance Fund. The Operation and Maintenance Fund ("O&M Fund") is hereby continued. There shall be credited on the last day of each calendar

month a sufficient amount of the revenues of the sewage works so that the balance in the O&M Fund shall be sufficient to pay the expenses of operation, repair and maintenance of the works for the then next succeeding two (2) calendar months. The moneys credited to the O&M Fund shall be used for the payment of the reasonable and proper operation, repair and maintenance expenses of the sewage works on a day-to-day basis, but none of the moneys in the O&M Fund shall be used for depreciation, replacements, improvements, extensions or additions. Any balance in the O&M Fund in excess of the expected expenses of operation, repair and maintenance for the next succeeding month may be transferred to the Sinking Fund if necessary to prevent a default in the payment of principal or interest on outstanding bonds of the sewage works.

Section 14. Sewage Works Sinking Fund. (a) There is hereby continued a sinking fund for the payment of the principal of and interest on revenue bonds which by their terms are payable from the Net Revenues of the sewage works and the payment of any fiscal agency charges in connection with the payment of bonds and interest, which fund shall be designated the Sewage Works Sinking Fund ("Sinking Fund"). There shall be set aside and deposited in the Sinking Fund, as available, and as provided below, a sufficient amount of the Net Revenues of the sewage works to meet the requirements of the Bond and Interest Account and of the Reserve Account hereby continued and created in the Sinking Fund. Such payments shall continue until the balance in the Bond and Interest Account, plus the balance in the Reserve Account described below, equals the principal of and interest on all of the then outstanding bonds to the final maturity thereof.

(b) Bond and Interest Account. There is hereby continued, within the Sinking Fund, the Bond and Interest Account. There shall be credited on the last day of each calendar month to

the Bond and Interest Account an amount equal to the sum of at least one-sixth (1/6) of the interest on all then outstanding bonds and the BANs payable on the then next succeeding interest payment date, and at least one-sixth (1/6) of the amount of principal payable on the then outstanding bonds which will be payable on the then next succeeding principal payment date, until the amount of interest and principal payable on the then next succeeding principal and interest payment date shall have been so credited. There shall similarly be credited to the Account any amount necessary to pay the bank fiscal agency charges for paying principal and interest on the bonds as the same become payable. The City shall, from the sums deposited in the Sinking Fund and credited to the Bond and Interest Account, remit promptly to the registered owner or to the bank fiscal agency sufficient moneys to pay the principal and interest on the due dates thereof together with the amount of bank fiscal agency charges; provided, however, that payment of the bonds shall have priority over the payment of the BANs.

(c) Reserve Account. There is hereby continued, within the Sinking Fund, the Reserve Account ("Reserve Account"). Upon the issuance of any Bonds, the City may deposit funds on hand, Bond proceeds or a combination thereof into the Reserve Account. If no deposit is made or if the initial deposit does not cause the balance therein to equal the hereinafter defined Reserve Requirement, the City shall deposit Net Revenues into the Reserve Account on the last day of each calendar month until the balance in the Reserve Account equals but does not exceed the least of: (i) the maximum annual debt service on the Bonds and the 2006 Bonds; (ii) 125% of average annual debt service on the Bonds and the 2006 Bonds; or (iii) 10% of the principal amount of the Bonds and the 2006 Bonds ("Reserve Requirement"). The monthly deposits of Net Revenues shall be equal in amount and sufficient to accumulate the Reserve Requirement within five (5) years of the date of delivery of the Bonds.

The Reserve Account may be satisfied with cash, a debt service reserve surety bond or a combination thereof. The debt service reserve surety bond must be issued by an insurance company rated at the time of issue in the highest rating category by Standard & Poor's Corporation and Moody's Investors Service. The Reserve Account shall constitute the margin for safety and a protection against default in the payment of principal and interest on the Bonds and the 2006 Bonds. Moneys in the Reserve Account shall be used to pay current principal and interest on the Bonds and the 2006 Bonds to the extent that moneys in the Bond and Interest Account are insufficient for that purpose. Any deficiencies in credits to the Reserve Account shall be promptly made up from the next available Net Revenues remaining after credits into the Bond and Interest Account. If moneys in the Reserve Account are transferred to the Bond and Interest Account to pay principal and interest on any Bonds or 2006 Bonds, then this depletion of the balance in the Reserve Account shall be made up from the next available Net Revenues after the credits into the Bond and Interest Account. Any moneys in the Reserve Account in excess of the Reserve Requirement shall be transferred to the Sewage Works Improvement Fund or be used for the purchase of outstanding bonds or installments of principal of fully registered outstanding bonds at a price not exceeding par and accrued interest, and redemption premium, if any.

Section 15. Sewage Works Improvement Fund. There is hereby continued the Sewage Works Improvement Fund ("Improvement Fund"). After meeting the requirements of the O&M Fund and the Sinking Fund, any excess revenues may be transferred or credited to the Improvement Fund, and the Improvement Fund shall be used for improvements, replacements, additions and extensions of the sewage works or for any other lawful purpose. Moneys in the Improvement Fund shall be transferred to the Sinking Fund if necessary to prevent a default in

the payment of principal of or interest on any outstanding bonds payable from the Sinking Fund or if necessary to eliminate any deficiencies in credits to or minimum balance in the Reserve Account of the Sinking Fund. Moneys in the Improvement Fund also may be transferred to the O&M Fund to meet unforeseen contingencies in the operation, repair and maintenance of the sewage works.

Section 16. Maintenance of Accounts. The Sinking Fund shall be deposited in and maintained as a separate account or accounts from all other accounts of the City. The O&M Fund and the Improvement Fund may be maintained in a single account, or accounts, but such account, or accounts, shall likewise be maintained separate and apart from all other accounts of the City and apart from the Sinking Fund account or accounts. All moneys deposited in the accounts shall be deposited, held and secured as public funds in accordance with the public depository laws of the State of Indiana; provided that moneys therein may be invested in obligations in accordance with the applicable laws, including particularly Indiana Code, Title 5, Article 13, as amended or supplemented, and Section 21 and in the event of such investment the income therefrom shall become a part of the funds invested and shall be used only as provided in this ordinance.

Section 17. Rate Covenant. The City covenants and agrees that it will establish, maintain and collect just and equitable rates and charges for the use of and the service rendered by the sewage works, to be paid by the owner of each and every lot, parcel of real estate or building that is connected with and uses the sewage works by or through any part of the sewerage system of the City, or that in any way uses or is served by the sewage works, at a level adequate to produce and maintain sufficient revenue (including user and other charges, fees, income or revenues available to the City) to provide for the proper expenses of operation, repair

and maintenance of the sewage works to comply with and satisfy all covenants contained in this ordinance, and to pay all obligations of the sewage works and of the City with respect to the sewage works. Such rates and charges shall, if necessary, be changed and readjusted from time to time so that the revenues therefrom shall always be sufficient to meet the expenses of operation, repair and maintenance of the sewage works and the requirements of the Sinking Fund. The rates and charges so established shall apply to any and all use of such works by and service rendered to the City, and shall be paid by the City as the charges accrue.

Section 18. Defeasance of Bonds. If, when any of the Bonds issued hereunder shall have become due and payable in accordance with their terms or shall have been duly called for redemption or irrevocable instructions to call the Bonds or any portion thereof for redemption shall have been given, and the whole amount of the principal and the interest and the premium, if any, so due and payable upon all of the Bonds or any portion thereof shall be paid; or (i) sufficient moneys, or (ii) direct obligations of (including obligations issued or held in book entry form on the books of) the Department of the Treasury of the United States of America, the principal of and the interest on which when due will provide sufficient moneys, shall be held in trust for such purpose, and provision shall also be made for paying all fees and expenses for the redemption, then and in that case the Bonds issued hereunder or any designated portion thereof shall no longer be deemed outstanding or entitled to the pledge of the Net Revenues of the City's sewage works.

Section 19. Additional Bond Provisions. The City reserves the right to authorize and issue additional BANs at any time ranking on a parity with the BANs. The City reserves the right to authorize and issue additional parity bonds payable out of the Net Revenues of its sewage works, ranking on a parity with the Bonds, for the purpose of financing the cost of future

additions, extensions and improvements to the sewage works, or to refund obligations, subject to the following conditions:

(a) The interest on and principal of all bonds payable from the Net Revenues of the sewage works shall have been paid to date in accordance with their terms and the amounts required to be paid into the Sinking Fund and the accounts thereof shall have been paid. The Reserve Requirement shall be satisfied for the additional Parity Bonds either at the time of delivery of the additional parity bonds or over a five year or shorter period, in a manner which is commensurate with the requirements established in Section 14(c) of this ordinance.

(b) The Net Revenues of the sewage works in the fiscal year immediately preceding the issuance of any such additional parity bonds shall be not less than one hundred twenty-five percent (125%) of the maximum annual interest and principal requirements of the then outstanding bonds, and the additional parity bonds proposed to be issued; or, prior to the issuance of the additional parity bonds, the sewage rates and charges shall be increased sufficiently so that said increased rates and charges applied to the previous fiscal year's operations would have produced Net Revenues for said year equal to not less than one hundred twenty-five percent (125%) of the maximum annual interest and principal requirements of the then outstanding bonds and the additional parity bonds proposed to be issued.

For purposes of this subsection all showings shall be prepared by a certified public accountant retained by the City for that purpose.

(c) The principal of, or mandatory sinking fund redemption dates for, said additional parity bonds shall be payable semiannually on January 1 and July 1 and the interest on said additional parity bonds shall be payable semiannually on January 1 and July 1 in the years in which such principal and interest are payable.

Section 20. Further Covenants. For the purpose of further safeguarding the interests of the holders of the BANs and Bonds, it is specifically provided as follows:

(a) All contracts let by the City in connection with the construction of the Project shall be let after due advertisement as required by the laws of the State of Indiana, and all contractors shall be required to furnish surety bonds in an amount equal to one hundred percent (100%) of the amount of such contracts, to insure the completion of said contracts in accordance with their terms, and such contractors shall also be required to carry such employer's liability and public liability insurance as are required under the laws of the State of Indiana in the case of public contracts, and shall be governed in all respects by the laws of the State of Indiana relating to public contracts.

(b) The Project shall be constructed under the supervision and subject to the approval of such competent engineer as shall be designated by the City. All estimates for work done or material furnished shall first be checked by the engineer and approved by the City.

(c) The City shall at all times maintain its sewage works in good condition and operate the same in an efficient manner and at a reasonable cost.

(d) So long as any of the BANs or Bonds herein authorized are outstanding, the City shall acquire and maintain insurance, including fidelity bonds, to protect the sewage works and its operations. All insurance shall be placed with responsible insurance companies qualified to do business under the laws of the State of Indiana. Insurance proceeds and condemnation awards shall be used to replace or repair the sewage works.

(e) So long as any of the BANs or Bonds are outstanding, the City shall not mortgage, pledge or otherwise encumber the property and plant of its sewage works, or any part thereof, and shall not sell, lease or otherwise dispose of any part of the same,

excepting only such machinery, equipment or other property as may be replaced, or shall no longer be necessary for use in connection with said utility.

(f) Except as hereinbefore provided in Section 19 hereof, so long as any of the Bonds herein authorized are outstanding, no additional Bonds or other obligations pledging any portion of the revenues of said sewage works shall be authorized, executed, or issued by the City except such as shall be made subordinate and junior in all respects to the Bonds herein authorized, unless all of the Bonds herein authorized are redeemed, retired or defeased pursuant to Section 18 hereof coincidentally with the delivery of such additional bonds or other obligations.

(g) The City shall take all action or proceedings necessary and proper, to the extent permitted by law, to require connection of all property where liquid, solid waste and sewage is produced with available sanitary sewers. The City shall, insofar as possible, and to the extent permitted by law, cause all such sanitary sewers to be connected with said sewage works.

(h) The provisions of this ordinance shall constitute a contract by and between the City and the owners of the Bonds and BANs herein authorized, and after the issuance of the Bonds or BANs, this ordinance shall not be repealed or amended in any respect which will adversely affect the rights of the owners of the Bonds or BANs nor shall the Common Council adopt any law, ordinance or resolution which in any way adversely affects the rights of such owners so long as any of the Bonds, BANs or the interest thereon remain unpaid. Except for the changes set forth in Section 23(a)-(g), this ordinance may be amended, however, without the consent of BAN or Bond owners, if the Common Council determines, in its sole discretion, that such amendment would not adversely affect the owners of the BANs or Bonds.

(i) The provisions of this ordinance shall be construed to create a trust in the proceeds of the sale of the Bonds and BANs herein authorized for the uses and purposes herein

set forth, and the owners of the Bonds and BANs shall retain a lien on such proceeds until the same are applied in accordance with the provisions of this ordinance and of the governing Act. The provisions of this ordinance shall also be construed to create a trust in the portion of the Net Revenues herein directed to be set apart and paid into the Sinking Fund for the uses and purposes of said fund as in this ordinance set forth. The owners of the Bonds shall have all of the rights, remedies and privileges set forth in the provisions of the governing Act hereinbefore referred to, including the right to have a receiver appointed to administer said sewage works, in the event of default in the payment of the principal of or interest on any of the Bonds herein authorized or in the event of default in respect to any of the provisions of this ordinance or the governing Act.

Section 21. Investment of Funds. (a) The Clerk-Treasurer is hereby authorized to invest moneys pursuant to IC 5-1-14-3 and the provisions of this ordinance (subject to applicable requirements of federal law to insure such yield is the then current market rate) to the extent necessary or advisable to preserve the exclusion from gross income of interest on the Bonds and BANs under federal law.

(b) The Clerk-Treasurer shall keep full and accurate records of investment earnings and income from moneys held in the funds and accounts continued or referenced herein. In order to comply with the provisions of the ordinance, the Clerk-Treasurer is hereby authorized and directed to employ consultants or attorneys from time to time to advise the City as to requirements of federal law to preserve the tax exclusion. The Clerk-Treasurer may pay any fees as operation expenses of the sewage works.

Section 22. Tax Covenants. In order to preserve the exclusion of interest on the Bonds and BANs from gross income for federal income tax purposes under Section 103 of the Internal Revenue Code of 1986, as existing on the date of issuance of the Bonds or BANs, as the case

may be ("Code") and as an inducement to purchasers of the Bonds and BANs, the City represents, covenants and agrees that:

(a) The sewage works is intended to be and will be available for use by members of the general public. Use by a member of the general public means use by natural persons not engaged in a trade or business. No person or entity other than the City or another state or local governmental unit will use more than 10% of the proceeds of the BANs or Bonds or property financed by the BAN or Bond proceeds other than as a member of the general public. No person or entity other than the City or another state or local governmental unit will own property financed by BAN or Bond proceeds or will have any actual or beneficial use of such property pursuant to a lease, management, service or incentive payment contract, an arrangement including take-or-pay or other type of output contracts or any other type of arrangement that conveys other special legal entitlements and differentiates that person's or entity's use of such property from use by the general public, unless such uses in the aggregate relate to no more than 10% of the proceeds of the BANs or Bonds. If the City enters into a management contract for all or a portion of the sewage works, the terms of the contract will comply with the Regulations and IRS Revenue Procedure 97-13, as amended, supplemented or superseded from time to time, so that the contract will not give rise to private business use under the Code and the Regulations unless such use in the aggregate will not relate to more than 10% of the proceeds of the BANs or Bonds.

(b) No more than 10% of the principal of or interest on the BANs or Bonds is (under the terms of the Bonds, BANs, this ordinance or any underlying arrangement), directly or indirectly, secured by an interest in property used or to be used for private business use or payments in respect of such property, or to be derived from payments (whether or not to the

City) in respect of such property or borrowed money used or to be used for a private business use.

(c) No more than 5% of the BAN or Bond proceeds will be loaned to any person or entity other than another state or local governmental unit. No more than 5% of the BAN or Bond proceeds will be transferred, directly or indirectly, or deemed transferred to a nongovernmental person in any manner that would in substance constitute a loan of the BAN or Bond proceeds.

(d) The City reasonably expects, as of the date hereof, that the BANs and Bonds will not meet either the private business use test described in paragraph (a) and (b) above or the private loan test described in paragraph (c) above during the entire term of the BANs and Bonds.

(e) No more than 5% of the proceeds of the BANs or Bonds will be attributable to private business use as described in (a) and private security or payments described in (b) attributable to unrelated or disproportionate private business use. For this purpose, the private business use test is applied by taking into account only use that is not related to any government use of proceeds of the issues (Unrelated Use) and use that is related but disproportionate to any governmental use of those proceeds (Disproportionate Use).

(f) The City will not take any action nor fail to take any action with respect to the BANs or Bonds that would result in the loss of the exclusion from gross income for federal tax purposes of interest on the BANs or Bonds pursuant to Section 103 of the Code, nor will the City act in any other manner which would adversely affect such exclusion, and it will not make any investment or do any other act or thing during the period that the BANs or Bonds are outstanding which would cause the BANs or Bonds to be private activity bonds under the meaning of Section 141 of the Code.

(g) It shall be not an event of default under this ordinance if the interest on any BANs or Bonds is not excludable from gross income for federal tax purposes or otherwise pursuant to any provision of the Code which is not currently in effect and in existence on the date of issuance of the BANs or Bonds, as the case may be.

(h) The City represents that:

(1) The City is a governmental unit with general taxing powers, which powers include the power to impose taxes of general applicability that, when collected, may be used for the general purposes of the City;

(2) The Bonds are not private activity bonds as defined in Section 141 of the Code;

(3) At least 95% of the net proceeds of the Bonds will be used for local governmental activities of the City or of a governmental unit, the jurisdiction of which is entirely within the jurisdiction of the City;

(4) The aggregate face amount of all tax-exempt bonds (other than private activity bonds) issued by the City and all units subordinate to the City, including on-behalf-of issuers and subordinate entities as those terms are defined in Regulations Section 1.148-8(c)(2), is not reasonably expected to exceed \$5,000,000 in calendar year 2012; and

(5) The City has not been formed or availed of to otherwise avoid the purposes of the \$5,000,000 size limitation.

Therefore, the City may meet the requirements of Section 148(f)(4)(D) of the Code and in that case, will not have to rebate any arbitrage profits to the United States.

(a) The City represents that:

- (i) The BANs and the Bonds are not private activity bonds as defined in Section 141 of the Code;
- (ii) The City hereby designates the BANs and the Bonds as qualified tax-exempt obligations for purposes of Section 265(b) of the Code;
- (iii) The reasonably anticipated amount of qualified tax-exempt obligations (including qualified 501(c)(3) obligations and tax-exempt leases but excluding other private activity bonds) which will be issued by the City and all entities subordinate to the City during 2012 does not exceed \$10,000,000;
- (iv) The City has not and will not designate more than \$10,000,000 of qualified tax-exempt obligations during 2012.

Therefore, the BANs and the Bonds qualify for the exception in the Code from the disallowance of 100% of the deduction by financial institutions of interest expense allocable to newly acquired tax-exempt obligations.

(j) These covenants are based solely on current law in effect and in existence on the date of delivery of the BANs and the Bonds, as the case may be.

Section 23. Amendments with Consent of Bondholders. Subject to the terms and provisions contained in this Section and Section 20(h), and not otherwise, the owners of not less than sixty-six and two-thirds percent (66 2/3%) in aggregate principal amount of the Bonds issued pursuant to this ordinance and then outstanding shall have the right, from time to time, anything contained in this ordinance to the contrary notwithstanding, to consent to and approve the adoption by the City of such ordinance or ordinances supplemental hereto as shall be deemed necessary or desirable by the City for the purpose of modifying, altering, amending, adding to or

rescinding in any particular any of the terms or provisions contained in this ordinance, or in any supplemental ordinance; provided, however, that nothing herein contained shall permit or be construed as permitting:

- (a) An extension of the maturity of the principal of or interest on any Bond issued pursuant to this ordinance; or
- (b) A reduction in the principal amount of any Bond or the redemption premium or the rate of interest thereon; or
- (c) The creation of a lien upon or a pledge of the revenues of the sewage works ranking prior to the pledge thereof created by this ordinance; or
- (d) A preference or priority of any Bond or Bonds issued pursuant to this ordinance over any other Bond or Bonds issued pursuant to the provisions of this ordinance; or
- (e) A reduction in the aggregate principal amount of the Bonds required for consent to such supplemental ordinance; or
- (f) A reduction in the Reserve Requirement; or
- (g) The extension of mandatory sinking fund redemption dates, if any.

If the owners of not less than sixty-six and two-thirds percent (66 2/3%) in aggregate principal amount of the Bonds outstanding at the time of adoption of such supplemental ordinance shall have consented to and approved the adoption thereof by written instrument to be maintained on file in the office of the Clerk-Treasurer of the City, no owner of any Bond issued pursuant to this ordinance shall have any right to object to the adoption of such supplemental ordinance or to object to any of the terms and provisions contained therein or the operation thereof; or in any manner to question the propriety of the adoption thereof, or to enjoin or restrain the City or its officers from adopting the same, or from taking any action pursuant to the

provisions thereof. Upon the adoption of any supplemental ordinance pursuant to the provisions of this section, this ordinance shall be, and shall be deemed, modified and amended in accordance therewith, and the respective rights, duties and obligations under this ordinance of the City and all owners of Bonds issued pursuant to the provisions of this ordinance then outstanding, shall thereafter be determined exercised and enforced in accordance with this ordinance, subject in all respects to such modifications and amendments. Notwithstanding anything contained in the foregoing provisions of this ordinance, the rights and obligations of the City and of the owners of the Bonds authorized by this ordinance, and the terms and provisions of the Bonds and this ordinance, or any supplemental ordinance, may be modified or altered in any respect with the consent of the City and the consent of the owners of all the Bonds issued pursuant to this ordinance then outstanding.

Section 24. Issuance of BANs. (a) The City, having satisfied all the statutory requirements for the issuance of its Bonds, may elect to issue its BAN or BANs pursuant to a Bond Anticipation Note Purchase Agreement ("Bond Anticipation Note Agreement") to be entered into between the City and the purchaser of the BAN or BANs. The Common Council hereby authorizes the issuance and execution of the BAN or BANs in lieu of initially issuing Bonds to provide interim financing for the Project until permanent financing becomes available. It shall not be necessary for the City to repeat the procedures for the issuance of its Project Bonds, as the procedures followed before the issuance of the BAN or BANs are for all purposes sufficient to authorize the issuance of the Bonds and the use of the proceeds to repay the BAN or BANs.

(b) The Mayor and the Clerk-Treasurer are hereby authorized and directed to execute a Bond Anticipation Note Agreement (and any amendments made from time to time) in such

form or substance as they shall approve acting upon the advice of counsel. The Mayor and the Clerk-Treasurer may also take such other actions or deliver such other certificates as are necessary or desirable in connection with the issuance of the BANs or the Bonds and the other documents needed for the financing as they deem necessary or desirable in connection therewith.

Section 25. Rate and Charges. The estimates of the rates and charges of the sewage works are set forth in the City Code of Kendallville, Chapter 16, Division 3, Section 16, which provisions are incorporated herein by reference.

Section 26. Tax Exemption. Notwithstanding any other provisions of this ordinance, the covenants and authorizations contained in this ordinance ("Tax Sections") which are designed to preserve the exclusion of interest on the BANs and Bonds from gross income under federal law ("Tax Exemption") need not be complied with if the City receives an opinion of nationally recognized bond counsel that any Tax Section is unnecessary to preserve the Tax Exemption.

Section 27. Conflicting Ordinances. All ordinances and parts of ordinances in conflict herewith are hereby repealed; provided, however, that this ordinance shall not be construed as modifying, amending or repealing the ordinance authorizing the 2006 Bonds or as adversely affecting the rights of the holders of the aforementioned 2006 Bonds.

Section 28. Headings. The headings or titles of the several sections shall be solely for convenience of reference and shall not affect the meaning, construction or effect of this ordinance.

Section 29. Effective Date. This ordinance shall be in full force and effect from and after its passage and approval by the Mayor.
